

FirmaShape Body Smoothing System

Firming and Cellulite Control

FirmaShape Body Smoothing System is a 3 Part Program that contains unique ingredients to help “reshape” your body. You can develop a smoother, firmer, more attractive body – quickly and easily. The unique ingredients in FirmaShape help reduce the appearance of cellulite, “dimpling” and excess fatty deposits.

FirmaShape Body Wash – contains our exclusive Polysphere Blend to gently massage and smooth away the dimpling “orange peel” look of the skin. The Body Wash stimulates and invigorates tired, dull and flabby skin.

FirmaShape In-Shower Lotion – contains “BodyFit” complex that is clinically proven to visibly reduce the appearance of cellulite while helping to restore skin firmness.

FirmaShape Body Lotion - reduces the appearance of cellulite and has **extreme moisturizing** properties to help counteract the effects of aging. FirmaShape....helping you to enjoy a firmer, smoother body in just one week. You will notice a beautiful difference in just one week....we guarantee it.

DIRECTIONS: While in the tub or shower, apply FirmaShape Body Wash to a soft sponge or cloth. Gently massage the rich foam over entire body for at least 30 seconds. Pay particular attention to thighs, buttocks and stomach. Rinse with warm water. Pour small amount of FirmaShape In-Shower Lotion to the palm of your hand and massage over all parts of your body, paying attention to thighs, buttocks and stomach. Rinse off completely with warm water. Pat body dry with a soft towel. Apply a liberal amount of FirmaShape Body Lotion to your body, massaging well for 30 seconds or more. Pay particular attention to areas of the skin that have a dimpled or “orange peel” appearance. For best results apply twice daily.

Note: do not use body wash or lotion on areas of the body with open sores.

FEATURES & BENEFITS:

- Contains Maliderma's exclusive Polysphere blend to help combat the appearance of cellulite.
